“Don’t lament that the jewel you seldom polish  
has lost its luster”

..... Meiji Emperor

We have the honor of receiving **Master Hiroshi Doi** on his last visit to Spain, dedicated to presenting activities related to Reiki.

Gendai Reiki Ho Association of Madrid, together with Usui Reiki Ryoho Association of Castilla y León, invites Reiki practitioners and masters from throughout the world, regardless of the school you may belong to, to participate, in the unsurpassed surroundings of Monte Abantos in El Escorial, Madrid.

Considering that this will be the last time the Master leaves Japan for Reiki activities, **Rika Saruhashi**, as his student since 1999 and deeply versed in his knowledge and teachings as well as his person will be responsible for faithfully transmitting Hiroshi's words into Spanish so that his wisdom can retain its timeless purity.

# Why is Traditional Reiki the main subject of the IV GENDAI REIKI HO INTERNATIONAL GATHERING IN SPAIN?

Gendai Reiki Ho, a modernized version of Usui Reiki Ryoho, transmits its essence through two methods: pure Traditional Reiki and Reiki adapted to modern times.

On this occasion Hiroshi Doi will teach an **Exclusive Workshop on Traditional Reiki**.

He will convey a synthesis of all his years of study and highly refined research verified by experts and recovered documents, given that the majority of documentation possessed by Usui Reiki Ryoho Gakkai <sup>(2)</sup> disappeared in the bombing of Tokyo in 1945.
